

Preserving, Celebrating and Sharing Cultural Traditions

Providing Supportive Services to New Americans

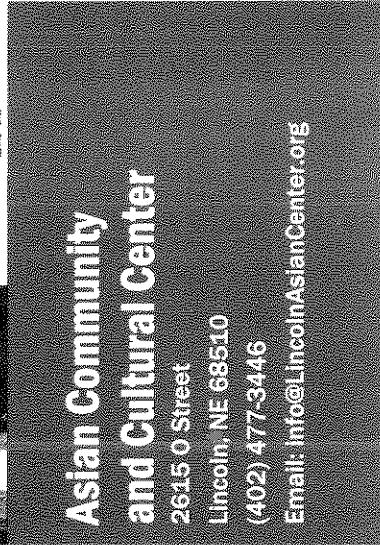

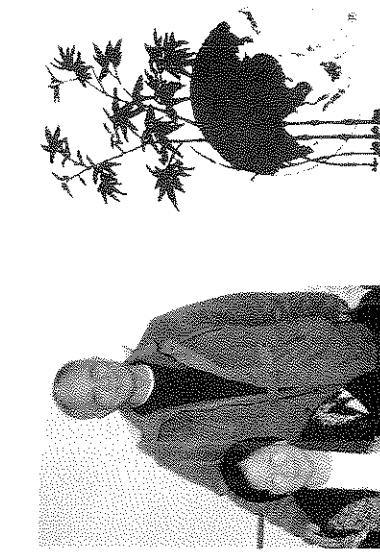

Asian Culture is as rich as it is diverse. Performance groups such as the Lion Dance Troupe, Lotus Dancers and Taiko Drummers have wowed the community with their colorful and awe inspiring pageantry. Our Taiji program provides relaxation and fitness. Now the whole community can share in them through our cultural education programs.

Honoring Our Elders

Through our health and wellness program for seniors, our elders are provided opportunities for social interaction and continuing education.

Developing the Leadership of Tomorrow

Preparing youth for leadership is one of our most important responsibilities.

Through programs and scholarships, we empower youth to fulfill their promise.

The Asian Community and Cultural Center is a 501(c)3 non-profit organization established to support and empower Asian people while sharing our cultures with the entire community through our programs and services. Please join us in making a difference in our community. Contact us today to learn how!
